

## CAM CONTINUING EDUCATION FINAL EXAM INSTRUCTIONS

---

To use this course for your renewal, simply visit [www.goldcoastschools.com](http://www.goldcoastschools.com), CAM, Continuing Education, and select correspondence to submit your answers online along with your payment.

Please note the following information regarding course completion.

- The examination is open-book. The final examinations each consist of 20 multiple-choice questions. You must answer at least 15 questions correctly to pass with a score of at least 75%. Mark only one answer for each question. Multiple answers will be considered incorrect, as will any answers left blank. Choose the best answer for each question.
- Select the course(s) you need to take. Be sure that you select the appropriate course(s) for your specific needs. No credit will be given for taking the same course more than once. (CE requirements are listed on the front of this book or you can contact the CAM Council's office.)
- The three different ways to have your answer sheet graded and provide payment to Gold Coast are listed below.
  - (1) Visit [www.goldcoastschools.com](http://www.goldcoastschools.com) to enter your answers and pay online. **This is the quickest method.**

**Online instructions:** Under Available Programs, click "CAM." On the CAM page, in the Renew Your Existing License section, click "Continuing Education." Under the Correspondence tab, click "Online Grading Click Here." Then, click "Enroll/Grade" and follow the instructions to enter your answers and pay for your course(s).  
By entering your answers online, your credit card payment will be processed and your answers will be graded **instantly**.
  - (2) Bring your completed answer sheet and payment to a Gold Coast location near you to have it graded in person.
  - (3) Mail your completed answer sheet and **check** to Gold Coast Schools, 5600 Hiatus Rd., Tamarac, FL 33321
- **Due to DBPR reporting requirements, it is recommended that you complete this course and return it to Gold Coast at least a few days prior to your license expiration date. Students who wait until the last minute might not be able to renew their licenses on time and incur late fees.**
- After grading the course, Gold Coast will report your hours electronically to the DBPR. This may take a few days to show up in your state records. Students can check their license status at [www.myfloridalicense.com](http://www.myfloridalicense.com). Please do not call the school unless you do not see results posted to DBPR site within 10 business days.

If you have any questions about the course or exam grading, our staff and instructors are here to help you.
